Fifth Annual Oktoberfest!

Saturday, October 5th at the VFW Hall

**Music by The Senders Live Auction Prime Rib Dinner
Featuring Colters Creek Winery & Northwest Microbrews**

Tickets are \$25.00 each. Beer and wine tasting begins at 5:30pm. Dinner follows!

Pick up your tickets at Latah Federal Credit Union or Archie's Place downtown Kendrick or contact any Committee Member.

The Pat Rush Medical Assistance Fund was established by Pat Rush and Friends during her courageous battle with cancer. It was Pat's wish to continue helping individuals facing life threatening illnesses caused by disease or accident. Since the first Oktoberfest in 2009 the Pat Rush Medical Assistance Fund has helped 15 individuals. The Friends of Pat Rush would like to thank the community for the amazing show of support. If you are interested in joining the committee please contact Kyle Pea, President or Alana Sneve, Secretary.

The Friends of Pat Rush Committee consist of a board of directors and currently has 10 members. When an application is received for assistance it is sent out of state to three application research members. These members are not familiar with area residents therefore we are able to have a non-biased look at the application. Confidentiality is critical in the PRMAF. Often times community members want to know who we have helped and how much money was provided. Due to our confidentiality by-laws we cannot share this information. We are proud to say that in the past 4 years we have raised approximately \$66,253.00. We have awarded \$41,815.00 in medical assistance funding to area residents.

This year the Friends of Pat organization will again be selling Christmas ornaments for the memorial tree in the Kendrick City Park. You may purchase an ornament and have your loved one's name placed on the ornament. The ornament will then be placed on the memorial tree during the Light the Park Ceremony. Each name will be announced followed by moment of silence. After the Christmas season the ornaments will be stored and brought out again the following year. Our organization believes strongly in remembering and honoring our community members who are no longer with us.

if you know someone in the KJ7 community in need of financial assistance due to a catastrophic medical issue from either a terminal illness or life-threatening injury please contact the Friends of Pat Rush Medical Assistance Fund at prushbenefit@gmail.com or pick up an application at Wells Fargo Bank in Kendrick.

-Lori Warner

Welcome Bruce and Vikki Bennett, New Owners of Kendrick Hardware

Bruce grew up farming in the Central Valley of California. He is the third generation of a 300 acre certified Sun –Maid raisin farm in the “Raisin Capitol of the World”, Selma, Ca. In his youth, Bruce participated in the 4-H program showing cattle. He was a California state winner and delegate for the National 4-H Congress in Chicago. Bruce later received his BA in agriculture at Fresno State College and raised registered polled Herefords, showing and winning at Cow Palaces in the Denver and Chicago Livestock expositions. Bruce’s career included farming, cattle, trucking, AG spray manufacturing and equipment sales.

Vikki was raised in Modesto, California, also in the Central Valley. In high school, she was one of the first girls admitted into FFA as a regular member. She qualified for the Presidential Physical Fitness Award 4 years in a row. Vikki received her BA and MA at Fresno State College. Later in life, Vikki moved with her family to Oakhurst, Ca. in the Sierra Nevada Mountains and lived 14 miles from Yosemite National Park where she was highly involved in the Backcountry Horseman of California. Her working career included large automotive, motorcycle and RV dealerships, parts person and inventory control specialist.

Bruce and Vikki met in 2005 and eventually decided to follow their dream by moving to Post Falls, Idaho in 2006. Vikki’s mom became ill with Alzheimer’s and they moved back to California from 2008-2009. In 2010 they returned to Idaho, settling in beautiful Kendrick, purchasing property near Southwick where they built their home. “We love it here,” says Vikki. “We’ve met some of the nicest people ever, and have established some wonderful friendships.”

In a surprising twist of life, Vikki and Bruce used to eat lunch frequently at a restaurant in Selma, California called “Archie’s Place”. Imagine their shock and delight when they found Archie and Jim at the Kendrick “Archie’s Place” in their new hometown! It was a small world.

In March 2013, the Bennetts decided to buy a hardware store and retire. Vikki explains their motive, “So we could work 6 days a week, 10 hours a day, and enjoy our retirement! We are very excited about having the store and are working hard to make it simple and efficient for customers to find what they need. We have plans to expand and add new products that customers have been asking for, sometime this winter and spring.”

Since opening the store, Bruce and Vikki have found the past customers graciously welcoming them as the new owners, and are happy with the new energy and new look of the store. Vikki says, “We are looking forward to many happy years at Kendrick Hardware, working to serve you, and your needs as best we can. On Saturdays, we have coffee and popcorn, so stop in, say howdy and introduce yourself. We’d love to meet you.” -Vikki Bennett

Please welcome a new dining establishment on Main Street Kendrick. The Corner Club Café opened March 22nd and is owned by Cindy Tate.

Cindy and her sister, Crystal Mize, shared a vision of opening a diner together and when they noticed the comfortable spot on the corner of 7th Street and Main in Kendrick, they knew they had found the perfect spot. In the middle of designing and making the furniture in the Café, Cindy’s sister was critically injured in a car accident when she hit black ice early one morning while delivering newspapers. This serious injury and consequently weeks of recovery slowed the completion of plans for the Café by many months. Finally, after realizing her sister would be unable to assist in the Café planning and design, Cindy found herself still wanting to continue with this dream.

The Corner Club Café includes menu items of authentic Mexican fare, Chinese food, Thai dishes, sub sandwiches, salads, hamburgers, pastries, and more. Everything is homemade “from scratch” including hand formed hamburger patties, bread and pastries. Future plans include adding prime rib, seafood and BBQ chicken/ribs on the weekends.

After 25 years in the restaurant business, Cindy wanted to own a café that was family affordable with all meals plus beverage for \$7.95 or less. A typical deli sandwich in a combo meal is \$5.50. “I wanted to offer another choice in dining. Living in Juliaetta and working in Kendrick, I know we have many families on a tight budget and I wanted to invite everyone to experience dining with superior ingredients and elegant service at an affordable price. I use fresh, quality ingredients in every dish served.”

Cindy first started in the restaurant business when she began helping her mother make pizza crust in a pizza restaurant at age 6. “I have fun cooking,” Cindy says. “I especially like to try complicated recipes as well as simple wholesome foods.”

Corner Club Café offers ice coffees, flavored coffees, energy drinks, teas, other espresso beverages, and 25 flavors of milkshakes. Soda can be purchased by the can or fountain.

Cindy also offers “take out” on all meals and will be happy to cater any event. She arranges meals or beverages for business meetings, birthday or anniversary parties and special activities that need a homemade cake or snacks.

Cindy was an athlete in gymnastics, roller skating, ice skating, swimming, track & field, and she still enjoys running for fun. Her biggest thrill, however, is “when I see people sitting in my restaurant enjoying their meal”.

Corner Club Café serves breakfast, lunch and dinner. Hours are: Monday, 7:30am – 7:30 pm; Tuesday, Wednesday and Thursday, 9am – 4pm; Friday and Saturday, 7:30 am – 7:00 pm, and Sundays, 10am-4pm.

“We have not had one single complaint on food or service since we opened in March,” declared Cindy. “I invite everyone to come try our food and relax at our window bar, or at one of the tables set aside for friendly dining and conversation.”

-Kathy Jones

Juliaetta Car Show and Blackberry Festival

Please join us for a day of fun at the 12th annual Juliaetta Car Show & Blackberry Festival **Saturday September 14, 2013**. Registration starts at 8am. Live music with **Beargrass** begins at 11am.

The Firefighters will be serving their famous BBQ hamburger lunch. Yummy homemade pies will be for sale with the proceeds going toward the Come 4 Fun after school program. Lots of great children's activities will be available. There will be many talented local vendors and artists. New vendors are welcome. We will also have many great raffle items including a Quilt donated by the Piece Makers Quilt club. A Beer garden will be available in the afternoon. All of the proceeds from the Juliaetta Car Show & Blackberry Festival go toward the up keep and maintenance for the Juliaetta Community Center.

Our community center is now available for rent for all of your party needs; or if you have any questions about the Juliaetta Car Show & Blackberry Festival please contact Ed Groseclose 208 791-6817, Jayne Smith 208 276-7571, Kerry Cope 208 717-7336 or blackberryfestival@tds.net. Vendor and Vehicle registration forms are available at juliaettacarshow.com.

A Brief History of Juliaetta Centennial Park

by Alec Henson

Today, the Juliaetta Centennial Park is a beautifully landscaped piece of land used for baseball games, birthday parties, and everything in between. It has been a tremendous asset for the cities of Juliaetta, Kendrick, and the surrounding communities. Go back twenty-one years, however, and we see a much different picture.

In the summer of 1992, the 7.55 acre patch of land across from the Heimgartner residence was nothing but a sea of overgrown trees and brush. It was a recreational area for nothing but snakes and other small animals; definitely not an environment fit for a park. That was, until a purchase was made on September 25th, 1992 in the amount of \$15,000. The land which was once the property of Neale and Marilyn Hoisington had become that of the Juliaetta Centennial Park Project, Inc., a corporation which was founded on August 7, 1992 to bring a park to the City of Juliaetta.

The Juliaetta Centennial Park Project, Inc. was the organization responsible for purchasing, planning, and developing the park. Although it operated under the direction of Tamara Hitchcock (Co-Chair), Dirk Hammond (Co-Chair), Nancy Fey (Secretary), and James Thiel (Treasurer), the park owes its existence to a generous and determined group of volunteers. According to an article published in the Moscow-Pullman Daily News on October 5th, 1992, over two-dozen volunteers aided in the clearing of the land. Even throughout the construction of the baseball field and other park facilities, volunteers have been there to bring the park to life. Estimates made prior to the construction of the park show an expected \$44,423 of in-kind donations— 26% of the \$168,023 budget. Other sources of funding included the J-K Recreation District, Idaho Department of Parks and Recreation, U.S. Forest Service, and cash donations. The land on which the park stands was purchased using a generous \$15,000 donation given by Richard and Tamara Hitchcock. The 1992 Juliaetta Centennial celebration and recipe books were also used as sources of funding for the park project.

In the spring of 1996, events took a turn for the worst when a flood swept through the park. The waters from the flood damaged park facilities, stripped away the grass and soil, destroyed trees, and even removed a chunk of land that was unable to be reclaimed. Although the recovery was difficult, it was manageable. After about a year of adjustments and repairs which returned the park to a functional state, the Juliaetta Centennial Park Project, Inc. turned over ownership and maintenance of the park to the City of Juliaetta and disbanded. Since the park was taken over by the City of Juliaetta, another piece of land was purchased and a softball field was constructed.

After years of hard work, the Juliaetta Centennial Park now boasts a large baseball field, a small softball field, a covered pavilion, a concession stand, restroom facilities, a pond, and several beautiful landscaping features. The park plays host to both high-school and elementary softball and baseball teams, the Blackberry Festival and Car Show, and various other community and family events. This park has been an invaluable asset to the citizens of Juliaetta, Kendrick, and the surrounding areas. The creation of this park was truly a community effort.

Watch for a more extensive history on the KJ7 web site soon! www.kendrick-juliaetta.org

Pool Mural Is Still Going to Happen

KJ Arts Committee continues work toward creating a mural at the Kendrick Memorial Park swimming pool. The first stage, building a false wall, has been completed with almost all labor donated by Paul Rush. A generous donation of \$1000 from the Recreation District and about \$600 of Committee funds paid for materials. Kendrick Hardware has offered to donate paint to prime the wall until it is time for the final mural.

We are in the process of gathering ideas for a theme and will select two or three to present to the Kendrick City Council for final approval. In the meantime we will continue fund raising projects to be able to purchase paint and to pay a local artist to oversee the final work. We hope to be able to advertise for artist proposals in the near future. The person selected may choose to paint the mural or supervise adult and/or youth volunteers. About 800 square feet of neutral colored ceramic tile is available to frame or enhance the mural at the discretion of the artist.

On August 16th the Committee will be serving a picnic from 5 to 7pm during the "Summer in the Park" event in Kendrick. There will be cheeseburgers, hamburgers and hot dogs. All meals will include chips, coleslaw and lemonade or water. Brownies and cookies will be sold at individual prices. All funds generated from this event will be used for the mural project.

We will be looking forward to hearing your ideas about the theme for the wall so please watch for a large sign and table in the park and give us your input.

-Barb Murphey

2 Crafty Gals Craft Fair Saturday, November 2nd — 8am to 2pm Kendrick Grange Hall

Call soon to save a table: \$15 (or \$18 with electricity). There is no charge at the door, but please bring a can of food for the Food Bank.

Lunch: Chili, rolls, hot cider and coffee 11-12:30 \$5.00
Children's Cookie Decorating Party 12-2pm
Get your picture taken with Santa 1-2pm

For more information or to reserve at table call Judy (276-8519) or Norma (289-3151).

Kendrick Grange #413

Brick repairs have been made to the west side of the building and the northeast corner. Kelly Emo has been hard at work in the hot sun providing masonry CPR to the Kendrick Fraternal Temple Building. Several areas were failing and the building has now been stabilized.

The Buy-A-Brick fundraiser raised \$2300.00 toward the repairs on the building. This is an ongoing fundraiser. Bricks can be purchased for the living as well as the dead. Up to two names can be placed on one brick for engraving. The brass plaques commemorating the memorial will be placed on prominent bricks in the structure soon.

Another source of funds was a grant awarded by Idaho Community Foundation, Unrestricted Northern Region Fund in the amount of \$2500.00. This foundation has been very generous in helping with the renovation of the building and we gratefully acknowledge their generous gift.

Lee Cannon has been installing vintage lighting, which was once in the historic Deary Lutheran Church. The lighting continues to enhance the 1900's décor.

The Juliaetta Library recently donated their display case to the Grange. We are grateful for their donation. We have also received the donation of several pieces of furniture that will help finance future needs of the building.

Watch for our annual Bratwurst Feed fundraiser to be held October 26th.

-Sharon Harris, Treasurer

News from the Fire Chiefs

We are recruiting for our upcoming Fall Firefighter course; call Chief Val Norris in Kendrick at 289-3066 or Mike McGee in Juliaetta at 276-7008 to volunteer.

CPR & First Aid courses are available through the Fire department or JK Ambulance. Contact Val Norris, 289-3066 or Pam Rigney, 289-4501.

Upcoming Event: Firefighter BBQ Burgers at the Juliaetta Car Show & Blackberry Festival on Saturday, September 14th starting at 11:00.

-Rose Norris

Lions Club Calendars

It is time once again to order your community calendar. Please note that if you are a previous subscriber, renewal is automatic. For those of you who are new to the community, you may order by sending your information: Name & birth date for each family member. An anniversary can be listed and it can be noted if someone is in active military service. We need a mailing address as well. Contact Sharon Harris (289-4622 25skharris@gmail.net) or Lisa Ihm (289-2576 matihm@yahoo.com) with your information. You will be billed when the calendar is delivered in December. Calendars are still \$6.00. This is the major fundraiser for the Lion's Club that sponsors many community projects. Each year the Lion's Club sponsors a contest for the featured photo on the calendar. **If you have a nice photo you would like entered, please contact us.**

Lion meetings are recessed for the summer. The first meeting in the fall will be September 11th at the Fire Hall. Archie will have a delicious meal prepared for us. Any prospective member is welcome to attend at 6:30 pm. If you have a heart for making our community a better place, you are most welcome. -Sharon Harris

On the "Liar's Bench":
Andy Galloway
Clarence Thornton
Newt Heath
John Galloway
Clarence Perryman
Walter Cook

The members of the group pictured above were steady customers of the Liar's Bench in the 1950's and 1960's. These gentlemen were all born in the Kendrick area and loved life here. John and Andy Galloway along with brother Dewey were lifelong bachelors and Bear Ridge farmers. Clarence lived at the bottom of Wauncher Gulch with his wife Grace and had worked in local mills. Newt Heath was raised in Southwick. He married his wife Mildred midstream the Clearwater River on a special train stop for the occasion. They raised their ten children in this area. Newt was known for his cattle drives. They would drive the cattle to summer pasture in Elk River. Clarence Perryman, always known as Polly (Paulie) Perryman, was raised in Kendrick and Juliaetta. He too was a lifelong bachelor. He worked in his family's café for years and later for the State Highway Department. Walter Cook was a long time Potlatch Ridge farmer. Walter never married. He was raised with his two brothers, Claude and Sylvie, on the same farm he later operated.

With their roots growing deep in the Kendrick valley, this group could discuss the present and the past with a passion. Since their passing, the Liar's Bench has never been the same.
Sharon Harris

Your J/K Good Samaritan Food Bank

How thankful the food bank board is for the support from organizations and businesses in our communities. The Cub Scouts had a penny drive in April for the food bank and presented a check for \$365. Archie's Place supported the Scouts fund raising by matching funds that were raised at the café. Thank you Scouts for your great effort in raising so much for the food bank.

On May 22 the Nez Perce County 4H delivered over 400 pounds of food which they had collected. That food helped fill some of the empty spots we had on our shelves. We are so thankful that you took the time to think of the food bank.

Primeland had a food drive and raised funds for area food banks and in May delivered food they had collected and also presented a check for \$3000 to the Food Bank Board.

We are constantly seeking grants and in June we got a grant from the Idaho Community Foundation Anti-Poverty Endowment Fund in the Idaho Community Foundation. The amount of that grant was \$1000.

It is not by any one food drive, donation or grant that keeps the food bank going but it is by individuals, organizations and businesses of Juliaetta and Kendrick all supporting it. It exists not just from the donations mentioned above but it is going to the post office and finding a check for \$25 or \$50 dollars or getting a call from Phil's letting us know that someone has donated a case of food or people donating turkeys and other foods during the holidays. It is our communities working together to meet the need of hunger in our area. It is everyone contributing that makes it "your" food bank.

-Pastor Larry Haylett

Book Prowlers

Our local book discussion group, the Book Prowlers, will begin meeting again on September 10th at 4pm in the Juliaetta Library.

The discussion will be about *State of Wonder*, a novel by Ann Pachett set in the Amazon Rain Forest. We encourage community members to join us, either to participate in the discussion or to just observe and get acquainted. We will select books to be read for the next few months at this meeting as well.

21st Century Community Learning Center Update

If you've had a chance to visit the elementary lately, you've noticed some beautiful flower planters. The afterschool students helped build, paint, and then planted flowers to add some beauty to our school's entrance. Thank you to the Hill and Valley Garden Club for providing us with the grant to fund this project. This is just one of many projects and activities we have done with the students throughout the year.

As the new school year is quickly approaching, I'd like to take the opportunity to update you on what is happening in the 21st CCLC. We will be in year 4 out of 5 of this grant; which also means our funding will be decreasing in the next two years. We will have a chance to reapply for this grant after the 5th year in hopes of receiving it again. This program has brought so much to our community and has been amazing for our students. I can't begin to imagine where we would be without this program. For the 2012-13 school year, we served over 100 students between all of the programs we offer!

Here are the programs the 21st CCLC funds:

***Full Day Kindergarten** – The 21st CCLC funds half of the full day kindergarten. Kindergarten isn't like it used to be. There was such an academic focus to get children ready for the next level that there was not much time for art, music, play, and socializing. A full day of kindergarten offers this and so much more. It gives the teacher time to provide one on one focus with each student to lead them to success.

***Jump Start Morning Program** – We will be changing up our morning program for this coming year. Morning Program will have an academic focus and will offer a "jump start" for students. It will run Monday – Friday from 7:30-8:00. This program will begin September 16th.

***Afterschool Program** – Our afterschool program is offered to students K-8. It runs Monday – Thursday from 3:00-5:15. Bus transportation is offered to Kendrick at 5:15. ASP offers a snack, homework help, recreation activities, service projects, academic enrichment, and much more. This year we will be starting an afterschool 4-H group and offering a variety of different project for students to work on and then enter in the county fair. ASP also begins September 16th.

***FAST Program** – Families and Schools Together (FAST) is a wonderful program offered to families of kindergarten and pre-kindergarten families. It gives families a chance to bond with one another, as well as getting to know other families of their child's peers. FAST Program will run again in Spring of 2014.

I want to thank the community, teachers, parents, and students for their continued support of the program. If you have any questions regarding any of the programs above, please feel free to contact me at 276-3422 or jessica.clemenhausen@dist283.org.

Juliaetta Elementary School

As we draw closer to the end of summer, the Juliaetta Elementary School professional staff awaits the return of our wonderful students with great excitement. This year we will introduce a new, fun program that will engage every child. The program is **MISS SCHOOL—MISS OUT** and it works like this: At the end of first quarter we will invite students with perfect attendance and their parents to a special assembly in their honor, where they will receive a **MISS SCHOOL—MISS OUT** T-Shirt and be awarded a certificate of recognition. Thereafter, students with **MISS SCHOOL—MISS OUT** T-Shirts will be encouraged to wear their shirts every Friday for the rest of the year. At the beginning of second quarter, we will start fresh, and the students with perfect attendance for that period will be invited to the **MISS SCHOOL—MISS OUT** Assembly with their parents where they too will receive T-Shirts and certificates of recognition. The program will continue through third and fourth quarters with assemblies, T-Shirts (new colors every quarter) and special certificates. We also plan to continue **MISS SCHOOL—MISS OUT** into the years ahead, and we hope to furnish every one of our students with a complete wardrobe of T-Shirts in multi-colors which we will encourage them to wear every Friday. Please help us by encouraging your child to achieve a record of perfect attendance and earn the T-Shirts and Certificates they will be proud of as they mature from grade-level to grade-level. Studies of attendance show a strong correlation between perfect attendance and high academic performance. We want every child to perform successfully. The first day of school is scheduled for August 26th. Please have your child at school on that day and every day following so he or she won't miss out. *Dr. Lindsay Park*

The Great American Flag Project

We are pleased to announce we have met our financial goal in purchasing a roll down, American Flag in honor of our Veterans. The Flag was purchased in June and installed under the direction of Joe Chapman, Kendrick School District Maintenance Supervisor. A dedication to our Veterans is printed on the white casing in which the flag is stored from the ceiling of the Kendrick High School gym. A dedication ceremony will be forthcoming in September when school resumes and more information will be given as times are confirmed. A plaque listing the names of our Veteran Honorees and personal/business contributors will be ordered in August and hopefully in place by the end of August. If anyone would still like to have the name of their Veteran listed on the plaque, donations will be taken until August 10th. Please call Kathy Jones (208-289-3943).

New Superintendent Brings New Changes

By: Alexie B Coleman

Dr. Lindsay Park, husband and father of two grown daughters, has earned his role as Juliaetta Elementary School principal and district superintendent. Having graduated from Gonzaga University with a Ph.D in Organizational Leadership, he has used his knowledge to become not only a teacher but a school administrator in Washington, Utah and now plans on using his vast experience here.

As superintendent his job is to lead our school district. This many hat job consists of roles such as overseeing the welfare of students, the needs of our staff, and maintaining our financial health. Because of a personal philosophy to leave the school district better than he found it, he is taking a more hands-on approach as superintendent. He plans on approaching his job similar to how United States Army General Patton approached his during during World War II. As Park explains it, it is a 3D system of strategic planning, working closely with those higher up, being upfront where the battle is, and thinking with the heart as well as the brain.

His first major job as superintendent will be abiding by an Idaho state mandate to upgrade our system from the Idaho Standards Achievement Test (ISAT) to the Smarter Balanced Assessment Consortium (SBAC). The SBAC will have more accountability on thinking through processes, writing, problem solving and working collaboratively as well as learning the core standards. This new accountability system will take place this coming school year and will replace the ISAT. Having been through parts of this change before, he knows what to anticipate. The main thing he keeps reiterating is that there will be a drop in scores as the students adjust to the change. This will be no overnight process; he anticipates the transition period to be a minimum of 3 to 4 years. The bright lining is that as the students adapt to the change they will become better prepared to compete in the global job market. There will be an upcoming meeting with the community about this change.

Moving from the ISAT to the SBAC isn't the only change. Teacher professional development days will move from October to September to coincide with the county fairs because of 4-H students involved. This is an attempt to change the attendance drop associated with this time, because if your attendance drops, your funding drops with it.

When asked what he wanted people to know about him, Dr. Park replied that being student focused, responsive to the needs he sees, and service oriented is what he finds important in himself. He's open to input, will give real attention to concerns, believes in improving our system, loves kids and wants them to succeed. This is especially noticeable when he talked of making the change from teacher to school administrator. He was reluctant to do so because in doing that it would mean leaving his students. In fact, one of the only reasons he did it was because becoming an administrator makes a difference in students lives. Now, because he is principal as well as superintendent he gets both. He gets to be directly involved, and gets to know each student's name as well as making a district-wide impact as superintendent.

Kendrick Junior/SeniorHigh School

The beginning of the school year is right around the corner and we're looking forward to another great year at KHS. The first day of school this year is August 26th. KHS registration will be held August 15th for grades 7-9 and August 16th for grades 10-12. Please plan on attending to pick up schedules, ask questions and complete paperwork. We're also excited to welcome Brent Jacobs to the Kendrick High staff. Mr. Jacobs will be teaching Math and coaching the junior varsity boys' basketball team. Brent comes to us from Clearwater Valley High School and is originally from Genesee. We'd also like to introduce Zane Hobart as our Head Football Coach. Coach Hobart coached the KHS baseball team last year and now brings his enthusiasm and extensive knowledge of the game to the football program. Both will be great additions to KHS.

Please be aware of the following important dates for school and fall activities:

Football Begins: August 12th

Volleyball Begins: August 16th

Cheer Begins: August 19th

Registration: August 15th (grades 7-9) & August 16th (grades 10-12)

First Day of School: August 26th

-Steve Kirkland, Principal

Hill & Valley Garden Club Had a Busy Summer

A summer tour took our group to the Orofino area. We had an informative tour of Green Things Nursery at Riverside. The owners, Mike and Joan Mount, have their home and nursery at Cavendish. We moved on to the Orofino Flower Shop owned by Cathy Moser. Her creative designs are always an inspiration. The tour included one more stop before lunch at the home of Sue Higgins. We all enjoyed a very special luncheon at the High Country Inn on the Old Ahsahka Grade. The weather held until we arrived at our next stop to tour the gardens of Sheree Carter and Mary Ann Litostansky. The rain soon passed and we enjoyed seeing the raised bed gardens and landscaping. Thanks to Dana Kelly and Margaret Treu for arranging such a nice tour.

We continue to provide beautiful gardens for Kendrick and Juliaetta to enjoy due primarily to the efforts of Beth Cannon and Dorothy Taylor and Polly Taylor Denbler who water diligently. The Butterfly Garden at the Juliaetta Centennial Park has been beautiful. The Blue Star Memorial has now had a base installed and is looking lovely at the Park. Various plantings around Kendrick have enhanced the beauty of our town at the welcome sign on the east end of Kendrick, at TDS, and other various locations. A special thanks goes out to Rick Glenn and Ula Cantril for providing water for the planter at the east entrance to town.

Through the summer reading program at the library, Juliaetta has a new sunflower garden near the Post Office in Juliaetta. The theme this year was "Digging into Reading" which leant an opportunity to dig into growing as well. These young people can be proud of their efforts. There are two remaining opportunities for "Fun with Flowers" in the Kendrick Park at 9:00 am Saturday August 17th and September 21st.

Hill & Valley Garden Club was awarded many awards at the recent State Convention which was held at Moscow at the Best Western Hotel.

Our first fall meeting will be September 24th at 1pm at the Fraternal Temple. Happy gardening!

-Sharon Harris, President

Please Save Your Cans!

Put your cans to good use by putting them in the grain truck at D. Taylor's. You will recognize the grain truck because there is a big sign that says 4-H Aluminum Can Drive. The money goes to the Kendrick Pool, Distinguished Young Women Toy Drive, IDFY (Idaho Drug Free Youth) and the Newsletter.

In the park soon there will be a trash can for aluminum cans only! We would appreciate it if you would help!

-Megan Brocke, Fix Ridge 4-H Club

Annual Rummage Sale at Kendrick United Methodist Church

You are invited to the Rummage Sale at Kendrick United Methodist Church on Friday, August 23, 8:00am to 4:00pm and Saturday, August 24, 9:00am to 1:00 pm.

Coffee and goodies will be available for refreshments while you browse.

The proceeds from the sale help support the activities and ministries of our church.

For more information please contact Joyce Clemenha-gen (208) 289-5271 or Marilyn Eichner (208) 289-5102.

Palouse Discovery Science Center brings "Project SOS" to Kendrick/Juliaetta

Does your home often feel too cold in the winter and too hot in the summer? Understanding the science behind how heat energy moves can help us all make a difference in our own homes and in our energy use!

The Palouse Discovery Science Center's "Project SOS", funded by the National Science Foundation, is coming to Kendrick/Juliaetta this fall. We will bring hands-on science activities and team challenges for youth, ages 11-15. They will learn skills and receive simple tools that they can then use in their own homes to make them more energy-efficient. The project team will be recruiting participants in early November for the event, which will be held on Friday, Nov. 8. Space will be limited to the first 18 youth whose parents sign them up. For more information, or to reserve a spot, contact Kathy Dawes at 208-310-2922.

"Project SOS" refers to the "Science Of Sustainability", especially as it relates to promoting a more sustainable use of heat energy in our homes. This two-year Informal Science Education Pathways project is currently being developed by a team of representatives from the Palouse Discovery Science Center, the University of Idaho, Washington State University, the Palouse-Clearwater Environmental Institute, the Oregon Museum of Science and Industry, and five local power companies. The program is being piloted as an outreach program in three rural communities in eastern Washington and northern Idaho: Plummer, ID, Rosalia, WA, and Kendrick/Juliaetta, ID.

-Kathy Dawes, Educational Outreach Coordinator

Cameron Emmanuel Lutheran Church

It seems way too early to begin thinking about fall activities, but here we are! At Cameron, the summer schedule will continue through September 1st with regular Sunday worship at 9am. At 10am, Sunday August 25th the annual *Worship in the Park* will be held in Juliaetta followed by a potluck lunch. ALL are welcome!

Beginning Sunday, September 8th the usual fall schedule will begin:

Sunday School at 9:30 for all ages, including adults
Regular worship services will begin at 11am
Choir rehearsals will begin in September, date to be announced later.

Cameron's annual turkey dinner and bazaar has been set for Saturday, October 19th. Dinner will begin at 5pm with an auction following at approximately 7pm. This event is a lot of fun, with a wonderful, made-from-scratch turkey dinner, musical entertainment for those waiting for the sale to begin,

or who just want to enjoy the music, and activities for the children. This is all followed by the auction, with hand-made quilts, dish towels, pillow cases and other crafts. Anyone who likes good food and great company is encouraged to come.

Women's Bible studies meet year-round, and anyone who is interested is most welcome to attend. The evening group meets on the first Monday of the month at 7pm, sometimes in homes and sometimes at church. The afternoon group meets at 1pm on the second Tuesday, usually in the church library. If you are interested, call the church for location and materials.

Cameron has been blessed by the ministry of interim Pastor Doug Nemetz for about a year. His good cheer, great singing voice, wonderful sermons and interesting classes has been very much appreciated. The church is approaching the end of its search for a permanent pastor and would like Pastor Doug to know how grateful we are for all his work. He has kept us well-fed with the gospel he knows so well!

-Ann Taylor

SAVE THE DATE!

The Annual Harvest Festival and Auction will be Saturday, November 9 at 5:00 pm at the Kendrick United Methodist Church.

All are welcome!

Zacchaeus

By Pastor Joy Lindner

The story of Zacchaeus, told in Luke 19:1-10, fascinates me. Zacchaeus was a wealthy tax collector, responsible for collecting revenue for the Roman government. The Jews of his day considered tax collectors to be political traitors (for working for the Romans) and cheaters (they often took more money than required). This tax collector was curious about Jesus and wanted to see him as Jesus passed through town. But Zacchaeus was short, too short to see above the crowd. Seeing a sycamore tree along the road, Zacchaeus climbed up the tree, reaching a greater height to see Jesus.

As much as Zacchaeus wanted to see Jesus, and went to great lengths in his attempt, the Good News is that Jesus wanted to see Zacchaeus even more. Jesus noticed Zacchaeus up in the tree and said, "Zacchaeus, hurry and come down. I'm coming to your house today!" All Zacchaeus had hoped to accomplish was to see Jesus from his vantage point in the tree, but Jesus had greater plans – not to walk by, but to walk home with Zacchaeus and spend time with him. Zacchaeus jumped out of the tree and led Jesus to his house. But watching Jesus walk to Zacchaeus' house infuriated the crowd. Jesus was going to eat at a sinner's house! This was not the first time Jesus spent time with those others avoided or rejected. Jesus often spent time with tax collectors and sinners, living the good news of grace and forgiveness among them.

It was in this encounter with Jesus that Zacchaeus was changed, transformed from the inside out. For that was exactly why Jesus had come, "For the Son of Man came to seek and to save the lost" (Luke 19:10). Jesus came so that the lost, traitors and cheats, sinners and outcasts, could be found; Jesus came so that those who are found can live transformed lives through the power of his love and grace. Jesus loves people like Zacchaeus enough to share life with them, to live the Good News of grace and forgiveness among them. Followers of Jesus are called to the same: to live the Good News of grace and forgiveness, salvation and transformation, among the least, the last, and the lost. For Jesus continues to seek and to save the lost and throw a party when they are found.

From Our Library...

to pay the owner every time we go to a game; so you might want to visit your library!"

A big thank you to all who have been donating books for our book sale. The Friends of the Library made over \$110 in book sales this summer alone. An important reminder please ~ Do Not leave books outside by the library door. If you cannot bring them by when the library is open, please call and we can make arrangements. Too many donated items are damaged by the weather or are items we cannot accept or resell. A few of the items that we cannot take as donations are text books, manuals, Reader's Digest condensed books, or items in poor condition. This includes stained and worn out books, books missing covers, etc. If you have any questions, please feel free to contact the library. The Friends of the Library appreciate your support! This past summer, your donations helped to provide for the purchase of new books and Summer Reading programs for children and families.

Speaking of the **Friends of the Library**, the Friends have decided to meet quarterly, unless a meeting is needed prior to the upcoming one. Thus, the next Friends of the Library meeting will be held Monday, September 16th, 6:00 p.m., at the library. The meetings are designated to last one hour and we are usually very good at staying on task. Ideas for fundraisers will be discussed and we will go over the patron surveys we have been gathering during the summer. As with all our events, the meetings are informal, no signup required, everyone is welcome. Please come support your library!

Summer Reading is over; however children may continue to earn prizes for any weeks they missed right up until school starts. We had six entertaining and exciting programs and celebrated the fun with a picnic and pool party to mark the success of all the great readers we have in our community.

Come in and see all the good things your library has to offer!
Monday 3-7, Wednesday 3-7, Thursday 10-4, Friday 1-5
208-276-7071 juliaetta@latahlibrary.org

JKHF has been busy and has three new offerings. A book- **Southwick and Cedar Ridge-A Pioneering History**, contains 584 pages of early history of those areas, genealogy, and family stories. It is a soft bound spiral cover that sells for \$40.00; a hard bound edition is \$65.00.

A DVD, **Early Days of Kendrick**, produced by Marsha Schoeffler, chronicles the history of the Kendrick area from 1850 to around 1950 sells for \$20.00.

For those who would like to know about the sites on the Kendrick Historical Tour a 36 page booklet-**Kendrick Historical Tour**-is available for \$5.00.. It contains historical pictures and early history of the town focusing on its businesses and early distinctive homes. A mailing service is available for our products when \$5.00/book and \$3.00/DVD is additionally added to the purchase price. Orders may be placed at JKHF, Box 37, Kendrick ID 83537. All of our historical publications are available at Kendrick Hardware and Red Cross Pharmacy locally.

JKHF has partnered with the Kendrick Grange to provide a four phase external brick repair and preservation project to the Fraternal Temple building. Following the completion of Phase I early this year Phase II and III were just recently completed. The upstairs has seen significant progress. The archival sorting room was recently named "The Arlene Room" in honor of Arlene Deobald Watts Wallace for the memorials received in her name. It has been insulated, rewired for computer use, and repainted. Kendrick contractor, Ron Coleman, is additionally almost ready to paint the "Grand Room" which will hold our museum and public use space. JKHF thanks the following for 2013 Fraternal Temple building enhancement support: Clearwater Power Co., Cannon Electric, Potlatch Corp., Tri-State Outfitters, J-K Recreation District, Ron Coleman, Avista Power Foundation, Latah County Community Foundation, Northwest Farm Credit Services, JKHF Members and the Public.

JKHF accomplishments are largely fueled by donations. Phase IV of the Fraternal Temple brick project gives attention to top of the building and will provide a total building 50-year weather protective sealer. We are continuing to ask for community support in the "Buy-a-Brick" fundraiser \$50.00 each that can accommodate up to two names. Your donation to JKHF is always tax deductible.

As we gather information For Juliaetta Historical Tour booklet and DVD, your pictures and historical facts are needed. Kendrick Gazettes also continue to be sought.

-Sharon Harris

Our Elected Officials

The publishers of this newsletter are dedicated to building communication within our community and among organizations that serve and support it. Therefore we are working to develop a regular feature page that will allow local elected officials to circulate information of value to their constituents and solicit citizen responses when appropriate.

City of Kendrick

New City Hall Hours

City Hall is now open Monday through Thursday from 9:15am to 4:30pm. The office is closed on Fridays.

Sewer Lagoon Upgrade

On July 1, the City of Kendrick finalized the purchase of 5.72 acres of property southwest of our current sewer lagoons. This property will be used for our sewer lagoon upgrade project.

Council Positions Open

The City of Kendrick will have three council positions and the mayor position on the November ballot. Two council positions and the mayor position will be a four year commitment and one of the council positions will be a two year commitment. Applications will be accepted beginning Monday, August 26, and must be returned to City Hall by 5:00 PM on Friday, September 6. (City Hall will be open on Friday, September 6, until 5:00 PM to accept applications.)

Upcoming City Council Dates

Budget Hearing & Council Meeting August 19, Council Meetings September 16, and October 21, at 7:00 PM at City Hall Dates are subject to change. Please contact City Hall to confirm the date if you plan to attend a meeting or if you would like to be on the agenda.

Pool

A big thank you goes out to Fix Ridge 4-H Club for donating money for pool pass scholarships! We were able to give away 6 family passes and 2 individual passes.

The Water Fitness class is going great! This is a fun, low impact way to exercise. Join us Tuesdays and Thursdays from 5:30 – 6:30 PM. The cost is \$4.00 per class.

Open swim is Monday through Saturday from 1:00 – 5:00 (closed from 3:00 – 3:30) and evening swims are Monday, Wednesday & Friday from 7:00 – 9:00. The last day the pool will be open is Saturday, August 17.

If your group missed this issue and would like to receive notice of newsletter deadlines send the email address of the appropriate contact to kjnewsletter@tds.net

News from the City of Juliaetta

Juliaetta Centennial Park Committee

The Juliaetta City Council is seeking residents to form a committee to serve the Juliaetta Centennial Park. For more information, please contact City Hall at 276-7791.

Council Positions Open

The City of Juliaetta will have two council positions on the ballot this November, each of which will be a four year commitment. Would you like to serve your community as a council member? Applications will be available beginning Monday, August 26, and must be returned to City Hall by 5:00 pm on Friday, September 6.

Upcoming City Council Dates

City Council will hold regular meetings August 13, September 10 and October 8. The annual Budget Hearing will be held Tuesday, August 20. All meetings are held at City Hall at 7:00pm. Meeting agendas are posted one week prior to each meeting. Please contact City Hall to be added to the agenda.

Car Show and Blackberry Festival

The 12th Annual Car Show and Blackberry Festival is coming up on Saturday, September 14. There will be live music, good food, children's activities and many vendors. The Car Show starts at 8:00 am; vehicle registration forms are available at City Hall. Bring your family and plan to spend the day!

South Latah Highway District News

South Latah Highway District did not apply MgCl to the roads this year for dust control due to lack of funding. SLHD has replaced the deck on the Middle Potlatch Creek Bridge and will have it sandblasted and painted. A five-mile section of Cedar Ridge Road will be seal coated by Poe Asphalt Paving this Fall. The Thorn Creek Bridge is currently under construction and should be finished in time for harvest. A culvert will be replaced this summer on the Genesee-Troy Rd. with money from a CEDA grant for the 2012 flooding. Keep alert and watch for heavy farm equipment and traffic during the harvest season.

-Mary Schwenne

Coming Soon: 6 Newsletter Issues Every Year!

Due to popular demand, the Publishing Team has decided to change the schedule for newsletter printing and distribution from four times annually to six. Our readers and contributors have requested a more frequent distribution so that we won't miss stories and events that are planned and held between quarterly issues.

We trust that this increase in newsletter service will help to keep our community more fully informed about local events and happenings that are important, interesting and just plain fun. As always, the newsletter will be provided to all members of our local community free of charge.

Our current plans are to roll out the new schedule at the beginning of the New Year in 2014, with distribution of the January-February issue in the first week of January. For those who contribute articles and announcements, the following new deadlines will apply.

Submission Schedule

Issue	Submission Deadline
January-February	December 15 th
March-April	February 15 th
May-June	April 15 th
July-August	June 15 th
September-October	August 15 th
November-December	October 15 th

This new publication schedule will increase the expense of printing and distributing the newsletter, but the KJ7 Board believes that the strong popular demand for up-to-date community news and information warrants this additional commitment.

Support for the newsletter is always appreciated, and contributions to help defray the costs of increased publication will be especially welcome.

The back cover of the newsletter is always available for advertising at reasonable rates, and the newsletter is distributed to 1,100 households throughout the KJ7 area. For further information, please contact Polly Taylor Dennler at taylordennler@tds.net or 208.276.4302.
